Decision regarding procurement of BTA 90

FMV ref 1 Enquiry 304174-AI712517 dated 2007-04-02
FMV ref 2 Letter 42904/2007 dated 2007-09-20

Dear Sir,

With reference to our previous letters, FMV is sorry to inform you that the procurement of BTA90 will not be completed at this point by decision of the Swedish Armed Forces. Therefore FMV now has to close this procurement without awarding any contract.

The main reason for the Swedish Armed Forces decision is that the offered price is higher than available funding in combination to sudden governmental demands for economic retrenchment.

FMV and the project team would like to thank all involved personnel for their effort and good cooperation for our common objective. FMV will inform you if there will be any changes in the Swedish Armed Forces planning for BTA90.
